Phone:

518 292 256

Birth date:

15.09.1994

Location:

Gorlice, Poland

At work, I would like to develop and broaden my knowledge of the Frontend all the time.

My main goal is to learn JavaScript and get started with the ReactJS framework.

I understand and can use programming languages such as PHP and Python in basic applications.

Skills

HTML

CSS

JAVASCRIPT

jQuery

Photoshop

React.js

Visual Studio

Bootstrap
